# Changing Lives Through Education

## The SBCC Promise

In 2016, the Foundation launched the SBCC Promise, offering all recent, local high school graduates the opportunity to attend Santa Barbara City College full-time at no cost. The SBCC Promise relies entirely on private support and covers all required fees, books, and supplies for up to two years.

To date, over 5,000 students have participated in the SBCC Promise. By removing financial barriers, the Promise ensures that SBCC's life-changing educational programs are fully accessible to all local students.

**Thank you** to the hundreds of donors who have made the SBCC Promise possible. And a special thanks to the following donors who have recently made major gifts to keep the Promise strong: Sara Miller McCune, Craig and Aira Harris, Assistance League of Santa Barbara, Winslow Maxwell Charitable Trust, The John C. Mithun Foundation, Mithun Family Foundation, Volentine Family Foundation, Coleen and Ted Friedel, Alice Tweed Tuohy Foundation, and the Estate of Laurie Converse.

## Support Our Community's College

**When SBCC students succeed, we all win.**

By investing in the SBCC Foundation, you are ensuring that our future teachers, entrepreneurs, scientists, artists, engineers, nurses, chefs and other professionals have access to high-quality education and the training they need to achieve their goals and become the next generation of community leaders.

### Support the SBCC Promise

The SBCC Promise is funded by the community for the community. Promise donors provide all recent, local high school graduates with access to an outstanding college education and the support they need to earn an associate's degree or certificate, or transfer to a four-year university.

### Join the President's Circle

The President's Circle makes the SBCC Foundation's work possible by providing core support through an annual gift of unrestricted funds. President's Circle members form a dynamic group that believes in the power of an SBCC education to transform lives and our community.

### Leave a Legacy

The SBCC Foundation Legacy Circle honors those who have made provisions in their estate plan to support the Foundation. Legacy Circle members cement the Foundation's ability to support the college and its students long into the future.

“

By offering financial support to SBCC students, we help them dream bigger, achieve more, and go further. Our gift to the SBCC Foundation is an investment in the power of education to change lives and strengthen our community.”
